It is our policy not to disclose any of your PHI to anyone unless we are specifically authorized to do so by you, in writing, with a signed Medical Information Release. # MEDICAL RECORDS POLICY OF BOB E. BLAKE, M.D., APC

## Q. WHY ARE WE REQUESTING YOUR MEDICAL RECORDS?

A. Because it is required that we do so by the California Medical Board! For your protection we strictly adhere to ALL rules and regulations set forth by the California Medical Board (CMB). We suggest that you visit the following web site for the complete text of the CMB's position statement on Medical Marijuana.

[http://www.medbd.ca.gov/medical\\_marijuana.html](http://www.medbd.ca.gov/medical_marijuana.html)

We have quoted the pertinent section of this document immediately below:

5. A physician who is not the primary treating physician may still recommend medical marijuana for a patient's symptoms. However, it is incumbent upon that physician to consult with the patient's primary treating physician or obtain the appropriate patient records to confirm the patient's underlying diagnosis and prior treatment history.

Our doctors act as Medical Marijuana Consultants only, NOT as your primary treating physician. Therefore, you are required to provide us with medical records that confirm your qualifying diagnosis, either at the time of your initial visit OR within the timeframe specified by the physician by whom you are seen at our clinic. Usually medical records will be due no later than 3 months after your initial visit.

The medical records that you submit should be from one of the Approved Licensed Health Care Providers listed below.

### Approved Licensed Health Care Providers

Physicians (M.D. or D.O.)  
Licensed Acupuncturist (L.Ac.)  
Doctor of Chiropractics (D.C.)  
Doctor of Naturopathy (N.D.)  
Dentist (D.D.S. or D.M.D.)  
Licensed Marriage and Family Therapist (LMFT)

Psychiatrist (M.D.)  
Psychologist (Psy.D. or Ph.D.)  
Licensed Clinical Social Worker (LCSW)  
Optometrist (O.D.)  
Other qualified, licensed professional you deem as your primary care provider.

## Q. WHAT IF I HAVE NEVER SEEN A DOCTOR FOR MY CONDITION?

A. If you have never seen one of the providers listed above for your condition and upon examining you our doctor determines that you indeed suffer from a condition which would qualify you for a medical marijuana recommendation, you will be given a 3 month temporary recommendation and REQUIRED to see the provider of your choice from the list of approved licensed providers above, from whom we will then be able to obtain records in support of your qualifying condition. Upon receipt of your medical records your recommendation may then be extended to its full length, up a maximum of one year, depending upon your condition.

I have read the medical records policy above.
